Hottoway's Puts-The Refuge of the Sick. -With this great Remody at hand none need suffer. Have you a sick or nervous besimbs? here is a mod-icine as unfailing and certain in its cure as that the sun will rise and set—and why? simply that it acts on the atomach and bowels, the root of the disorder. This is the plain but sure basis of Holloway's system and experience endorses it by the millions of certified cases throughout the civilized world without a single instance of failure. Practice and experience are as far about of theory as the brightness of neon lay is to the darkness of night. Speculation to the treatment of discuss may be consistent in a huntic acylum, but when his and death are in the facines, reason should unite with experience, and practice guide the hand at civilized somets.

firmation to such fears. The delay was oc-casioned by the fact that the ceremonies on to Square closed at a later hour than was

worked early and late to make this display a successful one, and they succeeded. Cannon for the battle were partly obtained from the Artillery Companies, the remainder being furnished from Columbus through the politeness of Major D. L. Wood. The resuels came out of port and took up their positions seconding to the plans of the actual battics.— Every minute detail was carefully attended to, although those in command became so from the first that they were frequently strongly tempted to make a dash at each other as if in regular battle. One peculiar feature of the affair deserves a coin notice. It was observed that the fring was not incessant, but that there would be a metimes a considerable interval between each run and that they there would be sometimes as considerable interval between each run and that they there would be sometimes as considerable interval between each meral firing. One of those who heard the ing at the real battle says that this preu-

with surprising accuracy, even to the native-ments of the ships, the crossing of 1 erry from the Lawrence to the Ningara, the c kasing and capture of the runaway ships, and all the other minor details. The whole affair was a triumphat success. For t his crowning feature of the day we are indebted to the indefatigable exertions of the Committee having the matter in charge—Messrs. I. U. Masters, Thomas Quayle and W. H. Hay-

What the Papers Say.

Mr. H. N. Johnson, formerly of the Press of Cleveland, was present on Monday as a reporter of the Detroit Advertiser and gives a glowing account of the Celebration. We extract a paragraph or two.

The inauguration of the Statue of Countrodere Oliver Harard Perry, at Cleveland, on Monday, was an event deserving more than the must improved kinds of SPECTACLES. All the monument is the first mannered the more than casual notice. the must improved kinds of SPECTACLES. All classes, whether for near or far sighted, are ground der his own importion, by machinery of a new struction, with the greatest care, so as to suit the monument is the first memorial moral-way struction, with the greatest care, so as to suit the number of men of patriodic renown unid marring or fine seeing.

ARREST OF A HORSE TRIEF.—Gordon T. Fence on the rear part of the West Side Cometery. Adopted. Public grounds be authorized to sell the old the events of the age.

The Naval Barris.—Of all the features of the great display on the Tenth, perhaps none excited as much general interest in anticipation, and in its actual occurrent e, as the representation of the Battle of 1 ake Eric. Considerable fears had been excited that this portion of the programme would prove a failure, and the delay in getting out the ressels for a time seemed to give con
into the custody of the officer.

By Mr. Clark, that whereas a proper regard for the interests of the city requires a failure imposed upon him by the rules and regulations of this Council, and whereas, a refusal or neglect on the part of any one to perform those duties may work injury to the city, and whereas, Councilman C. L. Russell, has for a long time and still one willfully and without the ressels for a time seemed to give con
firmation to such fears. The delay in getting out the ressels for a time seemed to give con
large majority of this Council.

Sept. 6th, 1860.—James Curran to Adam Diehl, sub-lot 11 in L. Case's survey of ten acre lots, 143 to 166, being 40 feet front on St. Clair Street, and 150 feet deep. Situate two miles east of the Post Office. Consideration Stqu.

Aug. 28th, 1860.—Oliver H. Perry and Henry B, Payne, to R. W. & Augustus Skinout prove a failure, and the delay in getting out the vessels for a time seemed to give con
firmation to such fears. The delay.

sure of this Council.

Mr. Russell called for the ayes and noes. the whole Council and the President had been insulted by the threats of the mem-ber from the Sth ward, that if the Council would not excuse him for serving upon the Com. upon Sewerage, then he would resign. This had gone on all through the year, and

it was time to speak out.

Mr. Russell spoke of his efforts in obtaining information upon the subject of sewernge and of the fact that when he had reported to the Council the result of his labors, he
niles cast of the Post Office. Countile the result of his labors, he had then been denied the position of Chairman of the Committee and another put in that position which he (Mr. R.) was entitled to. He then charged Mr. Clark with legislation. He then charged Mr. Clark with legislation which he (Mr. R.) was entitled to the then charged Mr. Clark with legislation which he (Mr. R.) was entitled to the position which he (Mr. R.) was entitled to the position of Chairman of the Post Office. Consideration the in the science of electricity, and the only one in possession of flattering testimonials from the most eminent Professors of Electricity in the United States, (including Professors of Electricity and the only one in possession of flattering testimonials from the charged Mr. Clark with legislation which he (Mr. R.) was entitled to the position of Chairman of the Committee and another put in \$5,500.

would bear the fullest investigation. Mr. being paid, and he knew too, that when he went, he had other business to attend to.

when he says so." The President called him to order.

Sorons day.

Mr. Ballard proposed that a special committee be appointed of Messra. Oviatt, Thomas and Sabine to report upon the matter at a special committee be appointed of Messra. Oviatt, Thomas and Sabine to report upon the matter at Ang. 25th, 1859.—Theodore R. Mills to R. their next meeting.

Aug. 25th, 1850.—Theodore R. Mills to R.

Mr. Ovintt had moved a previous motion W. Moor, the undivided half of sub-lot 52

to lay on the table which was carried.

By Mr. Marshal, That the Board of Education be requested to establish a rule that the libraries of the High School library charge so much upon each book drawn out, as in the aggregate will pay the salary of the librarian. Referred to Committee on subscale.

rious inguration is over, and never did any celebration, military and civic, in the East, or the West, North or South pass off with more complete success and general satisfaction. From every one who was here, we hear only words of praise and delight. Such being the case it is right that the credit

should be properly bestowed. As Mayor of the City, Mayor Senter occupied a responsible position and a trying one, and we must be allowed to congratulate him Of C. C. Rogers, remonstrating against the grading and draining of Seneca street, as it upon the quiet dignity with which he officiwill damage his property to the amount of at the banquet at the Angier, we were proud of our Municipal Chief, and know that many flattering encomiums were bestowed upon

> him by our guests. To Hon. Harvey Rice, Chairman of the Monument Committiee, do we owe more than can be computed, of the final grand consummation of the two years' preparation. He has labored with energy and judgment, has been the moving spirit from the first and is deserving of all praise from the city,

whose reputation he has done so much to sustain.

The joint committee appointed by the Council, consisting of Messrs. J. H. Clark, I. U. Masters, W. H. Hayward, J. D. Palmer and J. Hovey, have all worked hard and efficiently. Upon Mr. Clark devolved the arrangement of the Monument Square, with all the details of stand, reserved space, etc. All will seknowledge that in this Mr. Clark succeeded admirably. The stand was well located and conveniently arranged, and the space inside the ropes was kept perfectly

Mr. Clark requested of Marshal Craw fifty smen for the Square, and fifty men were furnished who knew their duty and obeyed orders. Thanks to the police, not a disturb-

ome impudent, and last night rang out the and ordered paid, or referred to appropriate as heard from not one hundred dollars were ance known in all the vast crowd, and so far picked during the day. We saw not one really drunken man, and not more than half a dozen who were at all noisy. We venture to say, that there has never yet been another gathering, of eighty to one hundred thousand people, with so little disturbance. At the supper at the Angier House on Tuesday evening, Gov. Sprague spoke in the highest terms of the order everywhere observable, and said that we "must have the best police
